English Teacher | ESL Tutor | Private Tutor | Linguistics Graduate

PROFESSIONAL PROFILE

English Teacher and Linguistics graduate with over two and a half years of teaching experience across schools, institutes, private tutoring, and English language programs. Experienced in teaching learners from Year 3 to Year 8, English as a Second Language (ESL), Oxford International curriculum resources, the Kurdish national curriculum, Face2Face coursebooks, exam preparation, and personalized language development.

At the British International School, I taught English using the Oxford International curriculum and curriculum-based teaching approaches. At Rose School, I taught English through the Kurdish national curriculum and its associated English language textbooks. My teaching focuses on communication, confidence, grammar, vocabulary, reading, writing, speaking, and practical everyday language skills.

KEY HIGHLIGHTS

- 2 years and 6 months of teaching experience.
- Experience teaching learners from Year 3 to Year 8.
- Oxford International curriculum experience at British International School.
- Kurdish national curriculum experience at Rose School.
- Face2Face coursebook teaching experience at Team Institute.
- Private tutoring for young learners, reading and writing support, and exam preparation.
- University class representative for four consecutive academic years.

WORK EXPERIENCE

English Teacher

Private English Tutor

One-to-One and Small Group Tutoring

- Taught young learners how to read and write through a structured and learner-friendly approach.
- Prepared students for exams with clear study plans, revision methods, and focused practice.
- Provided personalized English support based on each learner's needs and level.
- Helped students improve grammar, vocabulary, reading, writing, speaking, confidence, and exam preparation.

EDUCATION

Bachelor's Degree in English Department of Basic Education

University of Sulaymaniyah, Sulaymaniyah | September 2019 - June 2023

Academic foundation in English language education, grammar, linguistics, translation, syntax, semantics, pragmatics, and general psychology.

ACADEMIC FOCUS

Syntax and Semantics	Sentence structure, grammatical arrangement, and meaning in language.
Grammar	The system and structure of language and the rules used to form correct sentences.
Linguistics	The scientific study of human language and communication.
Translation	Transferring words, text, and meaning from one language into another.
Pragmatics	Language use in communication and how context affects meaning.
General Psychology	Basic psychological principles, methods, and human behavior.

TEACHING PHILOSOPHY

I believe language learning should be practical, engaging, and meaningful. My goal is not only to help students achieve high marks, but also to help them develop confidence, communication skills, reading and writing ability, and lifelong learning habits that benefit them in everyday life.

SKILLS

Leadership	Critical Thinking	Teamwork
Adaptability	Communication	Collaboration
